

OTTUMWA 2014-15

The Ottumwa League has worked hard to keep moving ahead.

League member Peg Lazio contributed to the State Study on Fire-EMS which was very much appreciated.

The League held Candidate Forums in the fall of 2014 and held Legislative Coffees at the start of the 2015 Legislative Session.

Some of the elected officials from the Ottumwa area chose not to participate in the coffees because of a perception that some questions were partisan in nature.

The League prides itself on its non-partisan work and stays in very strict adherence to guidelines and time limits so that all citizens can meet with elected officials, ask questions and be informed about the work that is taking place at the capitol.

Ottumwa League looks forward to continuing doing work on voter registration and all voting issues.
